

Calculate Air Seal Sealant Quantity for 600ml wet seal sausage tubes

15/10/2024 3:15 pm NZDT

Sealant Quantity Calculator

Calculate the number of 600ml tubes of silicone you will need to seal a window (or houselot).

Suggestion is that a 15mm x 15mm bead of silicone is allowed for.

Total Window Perimeter (Metres):

Depth of Sealant (mm):

Height of Sealant (mm):

Calculate

Starke is able to provide suitable wet-seal for projects at \$3-4/m *(volume purchase required)
